## [Need Assistance Reading or Marking Your Ballot?](#)

If you are having difficulty with your ballot, please call the Elections Department at (509) 427-3730. You can also stop by the Auditor's Office and receive assistance from our staff. Our address is 240 NW Vancouver Ave. Room #27 in Stevenson. We can issue you another ballot if yours has become lost or destroyed.

We also have disabled access voting machines (DAU units) that are designed to allow people with disabilities to vote a ballot without assistance. The ballots are audio/visual and allow the use of tactile switches or sip and puff devices. These (DAU) units are operational twenty days before the election in the Auditor's Office and can be used by any registered voter.
